3. After clicking it, **fill in the billing information** (name, detailed address, postal code, mobile phone number, and email)

The image shows two side-by-side screenshots of a billing form. The left form is titled "Billing details" and has a red border. It contains the following fields: "First name *", "Last name *", "Company name (optional)", "Country / Region *" (with a dropdown menu showing "Mexico"), "Street address *" (with sub-fields for "House number and street name" and "Apartment, suite, unit, etc. (optional)"), "Town / City *", "State / County *" (with a dropdown menu showing "Select an option..."), "Postcode / ZIP *", "Phone *", "Email address *", and a checkbox "Create an account?". The right form is identical but has a checkbox "Ship to a different address?" checked and highlighted with a red box.

4. After filling in the billing information, fill in the delivery address
If the shipping address is the **same** as the billing address, **uncheck** this option.

This option needs to be **checked** when the shipping address is **different** from the billing address.

The image shows two side-by-side screenshots of a billing form. The left form is titled "Billing details" and contains the same fields as the previous form. The right form is identical but has a checkbox "Ship to a different address?" checked and highlighted with a red box, with a red arrow pointing to it.

5. After filling in the shipping address, enter the payment process. The website supports PayPal and credit card payments.
